For participants
of the International Helicopter Industry
Exhibition

_____ No. _____

For No. _____ from _____

Dear colleagues,

On behalf of the Air Transport Agency, I congratulate you on the major event in the European helicopter industry - opening of HeliRussia 2015 International Helicopter Industry Exhibition!

HeliRussia is not just an "exhibition of achievements in the helicopter industry." It is also a venue for discussing, at a top professional level, of pressing safety-related issues, state-of-the-art airborne and ground-based equipment, as well as introduction of new safety standards in the helicopter industry as a whole.

I wish the organizers, visitors, exhibitors, as well as speakers and business program participants fruitful work, new reliable partners and continued success in their future endeavors!

A.V. Neradko
